LARAMIE PHYSICIANS FOR WOMEN & CHILDREN PAYMENT POLICY

Thank you for choosing Laramie Physicians for Women & Children. We are committed to providing you with quality and affordable health care. Our practice financial policy is as follows:

1. Insurance. LPWC contracts with most major insurance companies, with Wyoming Medicaid and Medicare, and with selected other qualified third-party payment sources. However, LPWC does not contract with all third-party payers.

a. If you are insured by a plan LPWC contracts with, you will be expected to pay your entire co-payment, an estimate of your deductible or the co-insurance portion of your charges **on the day of service**. Co-payments, co-insurance and deductibles are part of your contract with your insurer. LPWC will file an insurance claim directly to your insurance company.

b. Payments collected at the time of services are *ESTIMATES* based on the information available to LPWC at that time. If there is an additional balance due after your insurance has paid, then the balance will be your responsibility. Payment in full is due upon receipt of a billing statement.

c. Patients with out-of-network insurance will be treated as self-pay and should expect to pay in full for all services on the date of their appointment.

d. Knowing your insurance benefits is your responsibility. Contact your insurance company directly for any questions regarding your coverage.

Initials: _____

2. Coverage changes. If your insurance changes, please notify us as soon as possible so we can make the appropriate changes to help you receive your maximum benefits. If your insurance company does not pay your claim in 90 days, the balance will be billed to you.

3. Payment at time of service. Patients will be required to pay in full at time of service. If patients are unable to pay at time of service they may need to meet with our billing office regarding payment options.

4. Non-covered services. Some and perhaps all of the services received may not be covered by your insurance or not considered reasonable or necessary by your insurer. "Non-covered" may become your financial responsibility and payment in full for these services is generally due at each visit.

5. Nonpayment. If you have not made payments to your account and if there has been no attempt to contact our office with financial arrangements, it may be assigned to a collection agency after 90 days of no payment on account.

6. Payment plans. Contact one of our Billing Specialists if you need to review your financial status or make payment arrangements.

7. Payment Methods. LPWC accepts payments via cash, check, Master Card, Visa, Discover Card, and Care Credit. Payments can also be made online at [Laramiephysicians.com/our-office/billing-insurance](https://www.laramiephysicians.com/our-office/billing-insurance)

8. Late Appointments. In an effort to keep our providers schedules running on time and to reduce wait times we ask that patients arrive on time for their appointment. Patients arriving more than 10 minutes late may be asked to reschedule.

9. Missed Appointments. In order to accommodate all patients LPWC may assess a missed appointment fee. Please call within 24 hours of your appointment to cancel/reschedule in order to open that time slot for other patients.

10. Returned checks (NSF). You will be charged a \$35.00 processing fee for any personal check returned for nonpayment.

By signing this form you authorize LPWC to release the necessary information in order to complete and process your insurance claims. I have read and understand the payment policy and agree to abide by its guidelines.
